Dear Visitor,

Built in the 1920's the BISHOP CREEK LODGE has been serving the High Sierra Traveler for many years. With our housekeeping cabins we offer a variety of lodging alternatives. There is even a honeymoon cabin for the romantic at heart.

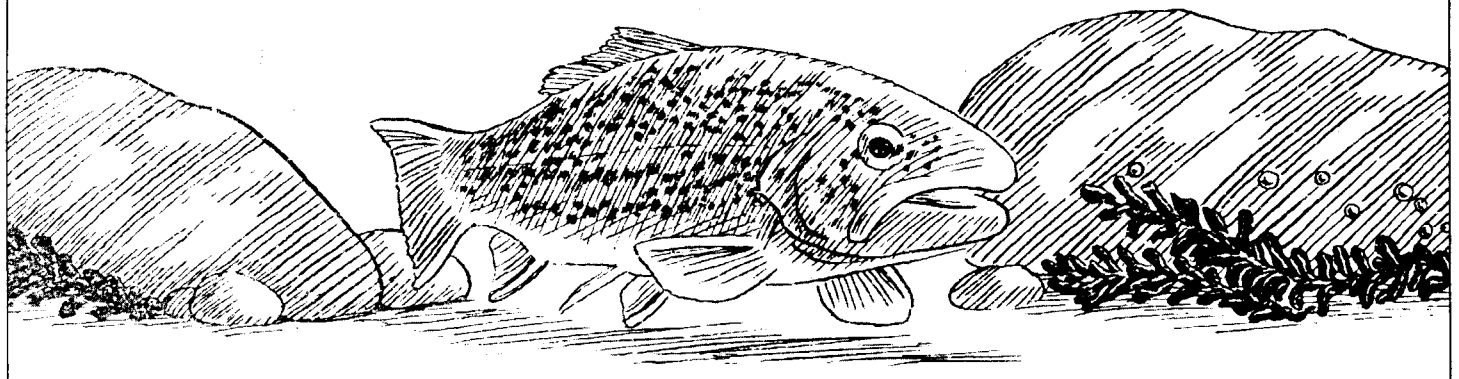

The activities in the canyon are as varied and exciting as the people who visit. In the spring and summer months for the fishing enthusiast, Bishop Creek Canyon offers some of the finest lake and stream fishing in the area. There is easy automobile access to many lakes, or with a short hike you can get to the unspoiled wilderness of the Inyo National Forest. The scenic beauty is a photographer's paradise. A favorite activity is to sit back on your porch and do nothing. Just bask in the serenity of the Eastern High Sierra. Horse packing or daily rides are also available.

To further serve our visitors, BISHOP CREEK LODGE has a fully stocked general store and our tackle shop designed to help anglers catch a "limit every day."

Also located at BISHOP CREEK LODGE, the famous Circle S cafe and saloon. The charm of the lodge is not complete without dining at the Circle S. The expertly prepared meals and fully supplied bar will make a dinner in the mountains the finale to a beautiful day. The restaurant is also open for an early fisherman's breakfast and lunch.

As owners of the BISHOP CREEK LODGE, the Olson family feel a great responsibility in assuring each visitor the opportunity to enjoy to the fullest, every experience offered by the South Fork of Bishop Creek. We hope you will accord us the privilege of helping make your stay in the Eastern High Sierra, and BISHOP CREEK LODGE, a most memorable one!
